Continental Motorcycle Tires

ContiRoad *ATTACK* 3

The Allround tire with the highest standards in the sport touring segment.

- › Performance oriented pattern design for better drainage in wet conditions.
- › More improved wet grip due to an optimized compound.
- › The EasyHandling technology bestows the tire with linear handling even if stabilizing gyroscopic forces are nominal (e.g. when turning). Simultaneously, accuracy and groundfeeling are improved at benchmark level – applies to all riding situations in this segment.
- › Comfortable and easy for all demands, whether on long rides or winding roads.
- › Balanced characteristics from the first to the last mile.
- › MultiGrip makes it possible to use a homogenous grip grading with a single compound thanks to temperature controlled curing of the tire during the production process.

EasyHandling TractionSkin MultiGrip ZeroDegree RainGrip

GT = for heavy motorcycles

ContiTour

Modern custom tire for cruisers and heavy touring bikes.

- › Specially for heavy touring bikes, cruisers and Harleys® engineered carcass construction for easy handling, solid behavior and a high level of comfort.
- › The MileagePlus technology features a compound that significantly extends mileage while maintaining exceptional handling.
- › Center tread band on the rear tire without grooves increases mileage and offers directional stability under adverse conditions (ruts etc.).
- › High performance pattern design for better drainage.
- › Consistent performance during tire lifetime.
