Conti HSL 3
Fuel-Efficient, Super Regional Steer
Applications: Over the road super regional steer and all position use.
Conti HSL 3
Fuel-Efficient, Super Regional Steer

Features & Benefits

- Increased stiffness in the **belt package** promotes smooth, even tread wear.
- Advanced tread compounding delivers long removal mileage and low rolling resistance.
- **Fuel Saving Edge** technology designed to increase fuel efficiency and application flexibility.
- Built on the **Conti 3G Casing** for maximum retreadability.

**Applications:** Over the road super regional steer and all position use.
