

Long Haul // Regional Haul // Resistance to High Scrub // On or Off-road Application

19.5" Truck Tire

Product Lineup

Engineered for your application. 19.5" size tires for long/regional haul and on-/off-road use are designed for Class 4 and 5 vehicles utilized in industries such as utility, landscaping, pick-up and delivery, lease and rental, and emergency vehicles. Tires are optimized for high scrub, cut-chip resistance applications as well as traction under on/off-road conditions.

IMPORTANT NOTE: Tire Products are now classified by route. Product details are subject to change, please visit our website or contact your local sales representative for the most up to date information.
