ALWAYS INFORMED

ContiConnect™ LIVE

Standalone Trailer Solution

Key Features

Tire monitoring alerts even when not connected to a power unit

Know the status of any and all tire positions anytime, anywhere

GPS location whether the trailer is on the road or awaiting pickup

The ideal solution for any fleet frequently dropping trailers at various locations, giving you 24/7 access to valuable data like GPS location, over and under inflation, rapid pressure loss, slow tire leaks, temperature, and even mileage - **all without having to be connected to a direct power source.** Our web portal and mobile app offer added convenience with daily notifications on the status of your trailers. Get more miles out of your tires, maximize your fleet's uptime and reduce your number of emergency roadside services with the all-new **ContiConnect™ LIVE Trailer Solution.**
